President Scott L Wyatt
University President
Southern Utah University
351 W University Blvd
Cedar City, UT 84720

Dear President Wyatt,

I hope you are doing well. I am writing in response to the Assistant President job position we discussed at the football game last week. Based on my extensive experience as school mascot and familiarity with the culture and traditions of Southern Utah University, I believe I will be the best candidate for the position.

As you are aware, my involvement at the University is quite extensive. In addition to earning every single degree the university has to offer, I have also never missed a sporting event or a community event (i.e. Forever Red, Scream, etc.). My personality and presence are popular with the students and community; plus, I have the perfect face for billboard advertisements. I am an effective non-verbal communicator, a strong leader, and a fast runner. These sweet qualities are perfect for this position.

Thank you for taking the time to consider my resume. I am readily available for an interview at your convenience, and look forward to hearing from you.

Sincerely,
