

IIC CREW PROGRAM

INTERGOVERNMENTAL • INTERNSHIP • COOPERATIVE

SUU
SOUTHERN UTAH
UNIVERSITY

MISSION STATEMENT

The IIC engages youth in building meaningful leadership and educational skills. These experiences provide opportunities to develop a working knowledge about natural and cultural resources and a variety of careers in public lands management while shaping the next generation of public land leaders and advocates.

VISION STATEMENT

The IIC is the premier national partnership model in youth leadership and educational development for public land stewardship.
