NON-TRAD STUDENT HIGHLIGHT

October Student Highlight

Our student highlight this month is:
Donald Pipkin!

Major: General Studies/Agriculture.

What Makes You a Non-Trad:
3+ year Gap; 25+ years old.

About You: I just love being around people because everyone's got their own unique beauty. That's why I'm all about studying on campus – it's where the mix of differences really shines. Additionally, my love for art in all its forms is a significant aspect of my identity. I find joy in creating artistic designs, particularly those inspired by landscapes. Among my favorite subjects to study is the flora of southern Utah, a topic that not only aligns with my academic interests but also reflects my appreciation for the natural world.

We'd Love to Highlight You!

We are highlighting non-traditional students in our newsletter! We love to see what our students are up to and would love to help you see some familiar faces on or off campus.
