OCTOBER | 2022

Here We Go October!

The semester is cruising along. Thanks to everyone that participated in our 9/11 Patriot Day and POW/MIA Ceremony. We had a lot of campus and community folks come out for these great events. Here's what is coming up next:

- ❑ Veteran Center Disc Golf Tournament
- ❑ SUU Military Appreciation Football Game
- ❑ Upcoming Priority Spring Registration

We hope to see you all at disc golf which will be a course set up right here on campus. That evening the Student Veterans of America will host a tailgate followed by the military appreciation football game. We will be looking for volunteers to help unfurl a giant flag across the field before the start of the game so please reach out to the center if interested. It's sure to be a great day from start to finish so we hope to see you all there!

Also, be on the lookout in the coming weeks for reminders about Spring registration dates. Military connected students using benefits to pay for school get priority registration so please take advantage of that privilege.

As always, we are here to support you and ensure your success. Please reach out to our VA Peer Mentors with any questions or resources you may need.

For more information on this and the other events in this newsletter, visit the Veteran Center.
