The Vet Hammer Announcements

Welcome Summer 2021 students! Just a heads up:

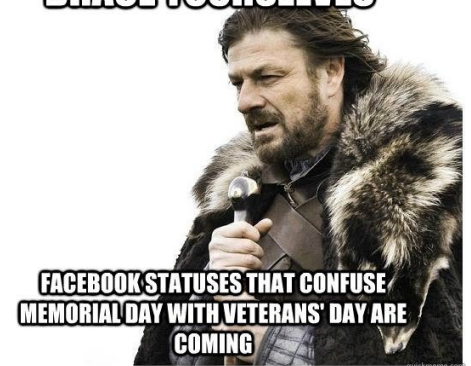

- ◆ The Veteran Resource and Support Center is open if you have any questions or need assistance before Summer Semester begins.
- ◆ Beginning May 17th, campus will move from a “mask required” to a “mask friendly” environment. Although masks will still be required for groups larger than 50 where social distancing cannot be practiced.
- ◆ Beginning at the end of spring semester, symptomatic and asymptomatic testing will be consolidated to one location in the J. Reuben Clark Center. Testing will also be paused in the days between the end of spring semester and the beginning of summer semester (April 30-May 17).
- ◆ Summer face to face classes will look like spring (no in person attendance requirements but students can be required to attend either in person or via zoom, face to face classes should be recorded, posted, and broadcasted), however in classes of fewer than 50 students, the classroom will be mask friendly rather than mask required. Classes with more than 50 that practice social distancing will also be mask friendly.
- ◆ **The Veteran Resource and Support Center is hiring work study positions!** We are looking for motivated individuals with a desire and drive to support their fellow veteran and military connected students. You need to work at least 10 hours a week so the positions are very flexible with your school schedule. You also need to be utilizing GI Bill benefits (ANY CHAPTER) at least 3/4 time in order to qualify. Please swing by the Vet Center to pick up an application or call (435) 865-8477 for additional questions.
- ◆ The Student Veterans of America are looking for a new president, and a social media coordinator! Please contact our office with any questions!
- ◆ Don't forget Fall 2021 registration has begun! Watch your student portal for your date to register!
- ◆ With that in mind, and the aviation program still under suspension for Summer and possibly Fall, please feel free to talk to your academic advisors or anyone in our office for options if this affects you.
- ◆ Finally, please schedule your mentor meetings with Amy. They are a quick meeting to provide support, resources and check on your needs! **If you did NOT meet with her during Spring semester, you have a hold on your account until you schedule.**

Military Connected Student of the Month

Please nominate our June Military Connected Student of the Month on our website!! There are many who are going above and beyond academically and personally in our community so be on the look out and let's give some credit where credit it due!
