June 2021 Newsletter

The Vet Hammer

Announcements

How is it already two weeks into Summer semester?! We hope everyone is settling into their courses but also take time to get outside and enjoy everything Southern Utah has to offer! This coming Fall should return to normal in-person instruction but here are some reminders:

- ◆ We would like to welcome our new Director of the Veteran Resource and Support Center: Michael M. Miller!

Mike retired from the United States Army in 2017 after 30 years of service. Throughout his career as an enlisted Soldier, he served various positions in the Field Artillery and the ROTC program, he also held leadership positions as a master gunner, first sergeant, and brigade operations. During his last tour assignment until retirement, he served as a nominated Command Sergeant Major (CSM).

Upon retirement from the military and prior to joining SUU, he served as the Chief of Veterans Services the Utah Department of Workforce Services. In this capacity he managed the Department of Labor -Jobs for Veterans State grant and other various veteran and military employment programs and staff.

Michael Miller and his wife Heidi reside in Cedar City, Utah and have two children, Hayden, and Halle.

- ◆ We still have several work study positions to fill. Please submit an application at the center and help support your fellow veteran and military connected students!
- ◆ Just a reminder to pay attention to the start and end dates for your Summer courses. Some may be full, 1st or 2nd session classes which can affect your BAH. Please check with the Center if you have any questions or concerns.
- ◆ Please watch your emails for the Calendly link to schedule Summer VA Mentor Meetings with Amy. If you missed Spring and have a hold, please meet with her as soon as possible. This is a way for her to check on your needs!

Military Connected Student of the Month

Meet our June Military Connected Student of the Month, Susan Heine!

GPA: 3.75

Branch of Service: Navy

Date Attendance Began at SUU: August 2019

What Are You Studying and Why: I am studying Art at SUU as a springboard for further education in either Scientific Illustration or UX Design.

Plans After College: Further education in either Scientific Illustration or UX Design.

Community Service/Programs: I volunteer at Community Presbyterian Church as part of the "tech" team to run the services.

Any Awards at School: None from SUU.

Any Advice for Future Students: Curiosity is the spice of life so pursue the things that capture your interest!
